# OUTDOOR SERVICE

## WHERE

In the administrative parking area of the church and surrounding grounds. Park near the Samaritan Center and walk towards the administrative entrance.

## DETAILS

- ◆ This service is NOT a replacement for our weekly online worship, which will continue in its current format. Those who do not feel safe or have conditions which put them at higher risk should feel no obligation to attend.
- ◆ This will be a shorter service (~40 minutes), with prayers, music, and a brief message.
- ◆ Participants will need to bring their own chairs or seating. There is limited grass for blankets.
- ◆ Come prepared for sun and heat-casual dress, hats, sunscreen, even umbrellas. The site has been chosen to provide some morning shade, but there is no place outside the church that can accommodate everyone and keep them all shaded. See photos of our first service on 7/5/20 on Facebook.
- ◆ Ushers will be available to help maintain social distancing, assist older individual with their chairs, etc.
- ◆ A collection box will be provided as you leave.
