

EXCITING NEWS-MARK YOUR CALENDARS!

Dear Highland,

It is with great joy that the Senior Pastor Nominating Committee announces that it has completed its search and has selected a final candidate to be our next Senior Pastor. We are so excited for you to meet our choice, Rev. Allison J. Beaulieu. Her biography is enclosed.

Because Rev. Beaulieu is in the process of informing her current congregation of her plans to leave, please do not share her name outside our Highland family just yet. She has a long and strong relationship with her current congregation just down the road in York, and we would hate for them to learn of her planned departure before she gets the chance to tell them herself.

Please note the following events as we take this next step toward the future of Highland:

Saturday, April 2, 2022, 2-4 pm - There will be a meet and greet event with Rev. Beaulieu and her husband, Dr. Keith Beaulieu in Fellowship Hall at Highland. Light refreshments will be available. Please come and introduce yourself.

SUNDAY, APRIL 3, 2022-10 AM – Rev. Beaulieu will be introduced to the congregation and will preach the sermon, both in person and online. **AT 11 AM, FOLLOWING THE SERVICE THERE WILL BE A CONGREGATIONAL MEETING IN ORDER TO VOTE ON THE CANDIDATE.** This will be a hybrid meeting to allow those members watching on YouTube to vote as well. If you cannot be physically present, please sign in on Zoom (link will be sent to you next week). Your vote is important!

This has been an intense and rewarding journey as we have worked to find the person that God is calling to minister to us and work with us in these challenging times. We strongly believe that we have found the right person to come along side us and to lead Highland Presbyterian Church as we seek to be the “light on the hill”.

Yours in Christ,

Leigh S Shuman, MD
Chair, Pastor Nominating Committee
