CONNECTING YOU WITH CHRIST AND COMMUNITY

Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.

1 Peter 4:10

A delegation from Highland will be visiting with our mission partners in El Salvador from June 14-21! Highland has supported the Juan Calvino School in Soyapango for over 20 years, in partnership with the Iglesia Reformada Calvinista de El Salvador (IRCES). Over the course of their visit, the team will speak with parents and teachers at the school and lead part of the Vacation Bible School for the children. They will also meet with the bishops of the Protestant churches of El Salvador, learn from IRCES and their ministries in the community, and explore the root causes of migration and human rights issues that affect both El Salvador and the United States. They will also deliver a check for computer supplies that will refresh the school's computer lab and enhance their hybrid learning programs. Thank you to those who donated for those supplies! The team includes some people who have visited El Salvador several times, and others who are joining for the first time. Please pray for our mission partners in El Salvador and for the following trip participants: Dick Entz, Leslie Fiorenza, Vickie Kutz, Josh Lucas, Migde Lucas, Will Massey, Jack Rothacker, & Jerry Rothacker. This is an exciting opportunity to build on a very important partnership, and to learn from the faithful ministry of our partners!

The 2023 West Virginia Mission team will continue Highland's sustained relationship with the people of Morgantown, WV, during the week of July 16-21. We have an excellent crew coming together, and there is room for more! The team includes children, young people, young adults, older adults, single people, families, etc. No special skills are needed! Most folks will work on making homes warmer, safer, and drier, but there will be additional ways to serve.

We eat, sleep and worship on the campus of West Virginia University. The cost is \$275 for adults and youth, \$200 for children up to rising 5th graders. Scholarships are available for young people. Questions see Will Massey or email him at willmassey@highlandpc.org. Sign up at <https://tinyurl.com/hpcwv2023> no later than June 23! Please prayerfully consider participating in this ministry to the people of Morgantown. Another way to support the team is by making a financial donation, which will go directly to building supplies.

These contributions will increase the impact of our work. Send a check to the office or drop it in the offering box, marked for "West Virginia Supplies." Please stop by our fundraising board in the Narthex to learn more.

Announcements & Updates

Next steps on our prayer journey You've taken the first step...you've got the book "40 Days of Prayer"! You're ready to join the Highland family as we prepare our hearts, minds, and spirits to discern God's plans for us through prayer. The insert in the Order of Worship is a "40 Days of Prayer Calendar" to aid you as you journey in prayer for the next 40 days. By now, some of you have found your "triad" to share your thoughts, and some of you are already having rich discussions in small groups. But some of you are reading the devotionals on your own and would love to discuss with others. Here's your opportunity! On **June 25** we'll have our first of four gatherings in the Fellowship Hall to discuss the thought-provoking questions posed in the book. Just drop in after the service and join the conversation. We'll focus on the first segment of the book: "Starting Well: Praying In Faith". There will be three other gatherings, on **July 16, August 6, and August 20** – each focused on one of the three remaining segments of the book. Whether you choose to read the book with one or two others, in a small group, or individually, you can start any time and cover the 40 days in a way convenient to you. The goal is to finish by the end of August. We're looking forward to how this journey will prepare us for our fall discernment process!

Antique Automobile Club of America Highland welcomes the Antique Automobile Club of America (AACA) on their Library Eastern Divisional Memorial Tour stopover for an organ recital on Tuesday afternoon, June 27. Members driving their antique and classic cars will be arriving around 3PM for the 4PM organ recital by Margaret Marsch. The tour, in memory of their library director, is being led by Chuck Gibson, Highland's organ installer and service company, who is also a AACA member. Highland members are invited to join the afternoon festivities. Any Highland members interested in being part of a welcome party to guide the AACA folks from the parking lots to the narthex, restrooms, and sanctuary, please contact the church office if you wish to volunteer.

PW is collecting toiletries! As you travel this summer, don't forget to pack a plastic bag for any toiletries you don't use at your hotels. Just drop it in the basket by the food pantry in the narthex. Or when you see a good sale, pick up a few extra things for the Christmas Bags we give to Red Rose Manor. Or use your OTC Medicare Advantage benefits that gives you monies to spend on these kinds of things – toothpaste, toothbrushes, mouthwash, lip balm, lotion, etc, if you haven't taken full advantage of it before. Everything helps.

Highland as a Plan or Policy Beneficiary Recent notes from the Stewardship Committee have emphasized the importance of checking employment-related retirement plans, IRAs, and life insurance policies to make sure that your beneficiary designations are up to date. Especially in cases where you believe that there are adequate provisions for loved ones, consider adding Highland as a beneficiary for a percentage of the assets held under these instruments. Most plan and policy administrators provide a way to make this change conveniently.

HiLites June event - Let's get together for a polo match! We will gather at the Lancaster Polo Club Field in Rothsville, Sunday, June 25. Bring your own lunch and chair. HiLites will provide some drinks and snacks. Gate opens at 1:00, the match starts at 2:30. Cost \$10 cash per person at the gate. Free parking. Look for our tent. No rain date. Contact Jodie Kornman, to let her know you are coming or call the church office. Save the date for the next gathering, July 15 for miniature golf & ice cream organized by Marty & Jack Hynd. More details will be forthcoming.

Toothbrush/toothpaste recycling - Through a program called Terracycle, you can recycle your used toothbrushes and empty toothpaste tubes by bringing them to the box located outside of Fellowship Hall and in the office.

How does a 9 foot, 1,000 pound Concert Grand Piano go missing? Answer, it doesn't. Our Steinway has been taken back to the manufacturer's restoration shop for repair of a purely cosmetic flaw. Complements of Jacob's Music Company, their representative, it will return in a few weeks.

Pay it Forward! There are ways you can “pay it forward” by creating a legacy for Highland Presbyterian Church. These options below have the advantages of not reducing your current financial situation or income (perhaps even enhancing it) while in many cases allowing you to escape federal and state taxation.

Bequests are the easiest way to “pay it forward.” Including a bequest in your will to Highland Presbyterian can take several forms. Cash is easy to designate but runs the risk of reduced value due to inflation.

Percentage of assets avoids the problem of the amount being eroded by inflation.

Real Estate can provide a unique opportunity. The donor may transfer a home or other property.

If it is a personal residence or farm, the donor can retain use of it during their lifetime.

Life insurance with Highland as the beneficiary ensures that a fixed sum goes to Highland. Often this is an “old” policy whose cash value has risen over the years and you may not realize its current value.

Appreciated assets transferred to Highland “cheat” our favorite Uncle. Many stocks and other securities have a value far in excess of original cost. Transferring these to Highland avoids the capital gains tax.

Charitable remainder trusts allow a future gift to Highland while receiving income during your lifetime. A trustee makes payments to you during your lifetime. When the income payments end the remaining assets go to Highland.

Retirement Plans have since January 2023 become increasingly important. Designate a charitable beneficiary such as Highland for retirement accounts such as IRAs, 401(k)/403(b) Keogh and others may reduce your income tax and those of your heirs.

Annuities take a variety of forms and should be individually tailored for your situation. All of them have a tax advantage, but their main benefit is to guarantee lifetime income for the owner. Annuities may be for a single life or for two. Remaining funds (if any) could go to Highland as a beneficiary.

These are examples and should not be considered financial advice.

For that information see an advisor or lawyer.

Congratulations to Ruth & Tyler Richardson on the birth of their daughter, June.
