A get-together for recent visitors will be held after the worship service on Sunday, August 31 in the McClintock Chapel. This will offer an opportunity for you to interact with staff members and each other, learn more about the overall scope of Highland's ministry, and get answers to some questions that you might have. We look forward to seeing you then. For further information, please contact the church office.

Your Communion Guild needs you! If you have an hour free on the Saturday before the first Sunday of the month, we'd love to have you join us in the church kitchen at 9:00am to plate the bread and pour the juice to be served the following day during Communion. We are a friendly group which has diminished recently and could really use your help. If you're available and willing, please contact Rachel Reist or Lee Heisey. Thank you.

DINNER AND A MOVIE FINDING NEMO

AFTER EACH MOVIE NIGHT WE WILL VOTE ON THE MOVIE FOR THE NEXT D AND M

Did you ever hear the phrase "Everything happens for a reason"? What about, "God helps those who help themselves"? Or, "Love the sinner, hate the sin"? We hear these phrases all the time said by well-meaning Christians but none of these phrases can be found in the Bible. Starting on Rally Day, September 7, we will begin a new sermon series called "The Bible Doesn't Say That" where each week we will be exploring some of these well-worn cliches that lead us down unfaithful and sometimes dangerous paths. Stop settling for half-truths and feel-good phrases! Let's get real about what the Bible actually says. It won't be easy, but it will be worth it! See you on the Lord's Day! —Pastor Allison

The Earth Care Committee is excited to take the first step in bringing Highland's Green Master Plan to life! This fall, we'll be installing a beautiful native plant garden outside Room 208, next to the Fellowship Hall wing.

Filled with species native to our area, the garden will provide vital habitat for pollinators and bring a naturalistic beauty to our campus. We're partnering with Waxwing Ecoworks Co. to make this vision a reality in two stages:

Site Preparation – Wednesday, August 28 (8:30 am)

Planting Day – Wednesday, October 9

We'd love for you to join us for either (or both!) of these hands-on workdays. Whether you're an experienced gardener or just want to lend a hand, your help will make a difference. To sign up or learn more, contact Paster Matt.
